TO ADJACENT PROPERTY OWNERS:

The Winnsboro Planning and Zoning Commission is requesting comments, questions and concerns from property owners within the proposed historic district boundaries. If you own property, operate a business, or live within the proposed district you are invited to schedule a time to meet with Commissioners and City staff. These individual meetings will be held in the Council Chambers, City Hall, 501 South Main Street. If you are unable to meet in person you may request to schedule a conference call.

We understand that both the volunteer commissioners & concerned citizens have work schedules. In consideration of this, we ask that you call City Hall to schedule an appointment so that we might accommodate everyone's needs.

The proposed Downtown Overlay District is generally bounded by Pine Street to the north, North Chestnut Street to the east, Carnegie Street to the south and North Mill Street to the West.

We look forward to speaking with you and receiving your comments.

Sincerely,

Craig Lindholm
City Administrator
