I agree to be held responsible for Bulk Water Invoices, if not paid upfront. Sec. 13.04.038 Bulk water rates: There shall be bulk water sales from city-treated water, for a person/contractor performing work for the city or within the city limits, and the work being performed necessitates the use of bulk water. The water sale shall be regulated by a city employee while the truck is filling. In such instance, the price of such water shall be negotiated between the contractor and the city administrator and shall be included in and made a part of the contract price. **Water bulk rate: \$20.98/per 1,000.**
